Sir,

I have seen an advertisement of Asian paints published on 3-2-19 in Dainik Bhaskar, Udaipur. There is wrong Hindi in the adv. Kindly see the attached adv. with my corrections. You want to say about getting done exterior lamination ( karwa lo or karwa li ) while your adv. writes is as kar wali or kar wala ( tax person ). Kindly correct it because this is not correct message and also an insult of the mother language.
