The General Manager  
North -Western Railway, JaipurSub:- Wrong display of Hindi words at Railway Station, Jaipur.  
Sir,

With due respect it is to submit before you that your electronic display boards on all the platforms

at Jaipur junction show wrong hindi version for 'rescheduled trains'. They show पुनर्निर्धारित  
wrongly asIkqufuz/घ्रत, *उक्कुफुज*Also the online train status board located at main waiting lounge shows two wrong spellings-  
गाड़ीयां

instead of गाड़ियां and स्थिति instead of स्थिति .

Kindly correct the spellings, because it is the insult of our Rajbhasha and also the students learn  
wrong spellings.

Regards

Yours Faithfully
