Subject: Grievance and suggestion

Date: Wed, 08 Jul 2020 18:28:49 IST

Date- July07,2020

Sir,

On dated 06-07-2020, I went to Ujjain by my car (RJ-27CD7880) from Udaipur and returned back on same day, and I found that there is no fastag facility is available on the State highways. After crossing Mangalwad I faced 09 toll plazas ( 2 in Rajasthan and 7 in Madhya pradesh) which have no fastag RFID mechanism and only cash payments were there.

In this case I unnecessarily faced 18 persons on toll plazas and most of them were not wearing masks and cash payment also creates health problems in COVID-19 pandemic. The four lane high way of Neemuch- Mansaur – Ratlam state highway is having high rush and it must have fastag facilities.

Other problem is found on Negadia toll plaza ( Near Udaipur on Udaipur -Gomati Choraha Highway ) where the toll employee sits 5 feet above the road on all booths. In such case the car driver looks above in sky and he/she faces mouth -droplets of the booth employee while talking and this is dangerous in COVID-19.

Please look in to matter and solve the problems.

Yours faithfully

Prof. S.K.Kataria
