Subject: **Suggestion for Jail Reforms**

Joint Secretary (C and IC)
Ministry of Home Affairs
and

Dy. Secretary
Ministry of Law and Justice
Govt. of India, New Delhi.

Sir/Madam,

I need to give a suggestion to the Govt. of India for improving financial health and control over criminal activities and that is-

Please do not provide free food to the prisoners rather food charges may be taken from the family

members or the relatives of the criminals. Actually, all the welfare activities of the govt. are run by

the money of honest and hard working tax payers. How can a culprit or criminal can be fed by tax

payer's money? Think again and revised the jail manual of the country.

Regards

Prof.S.K.Kataria

Mohanlal Sukhadia University, Udaipur.
