Sir,

Tata motors is a reputed name across the globe.

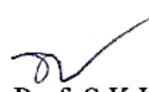

You have written wrong spelling of your pick -up vehicle as YODHA ( योधा ), it must be as YODDHA ( योद्धा ).

Please note that the young generation is already casual in nature and you are misleading the generation by the wrong spelling of Yoddha (literally the warrior.)

Tata group is a responsible and trusted brand with high level dedicated company in terms of social responsibility.

Please correct it.

Regards
