Sir,
Being a Professor of Public Administration, I can say that creating a new district has always been a good policy decision. Thank you for taking such bold initiative. May I suggest you that the Name of new district Kotputli- Behror is lengthy and confusing. we may think over following options-

1. Name as KOTROAD / KOT ROR (Kot from Kotputli and Road from Behror).
2. RAATH (this is the name of dialect and area of Kotputli- Behror).
- 3 MATSYA (old name of this area)
